= **Math!**

Talk, Sing, Read, Write About and Play Together With:

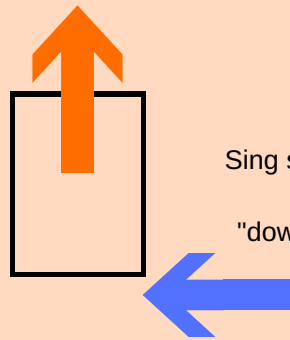

Numbers

Talk about numbers, read number books, count, and sing number songs

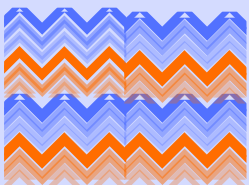

Space

Sing songs and tell stories that use spatial vocabulary, like "up," "down," "inside," "around," "on top of," and "behind"

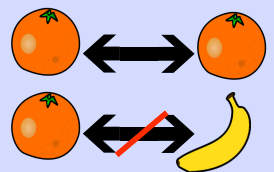

Patterns

Sing songs with a catchy beat and read poetry with a repeating rhythm

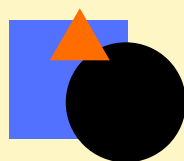

Comparisons

Talk, sing, read, and draw about quantities and comparisons in everyday life

Shapes

Play with and ask questions about magnetic blocks, Legos, puzzles, and tangrams

Positive Attitude

Talk positively about math and motivate children to be excited about it
